

COME IN YOUR STRENGTH - With unique and pure natural fragrance frequencies

Transformation essence for the 7 Chakras

BASE CHAKRA The base chakra stands for safety, security and connection to the earth. All physical, and mental complaints related to the basic chakra. Breath of abundance, basic needs, physical problems in the lower body, bones, back pain. Do not feel at home on earth.

SACRAL CHAKRA In case of weak or active second chakra. Women in particular have blockages here. Lack of creativity and spontaneity. Being sexually receptive and female strength of the womb. The magic of birth and creation is also resided.

SOLAR PLEXUS Use in case of a closed or over active solar plexus. Unlimited SELF power and self-awareness. Indicate your boundaries and ensure a healthy balance between giving and taking. If you can handle your power well, you are submissive to no one. How are you Handling Authority?

HEART CHAKRA Love in all forms also self-love. Without self-love you cannot receive love and keep you away at the expense of yourself. Heart, what comes from your heart? Do you have a loving relationship that is equivalent? Use this fragrance to balance all forms of love to get your heart chakra to open without fear.

THROAT CHAKRA Communication, what is in your heart but you can't express. Expressing creative work that comes from yourself. Stand up for yourself and become true to your own opinion. When will you hear your own truth and be authentic? To open your throat chakra, too Clean and obtain more power.

THIRD EYE See clearly, the great whole and the bigger picture of life. For an inactive third eye though Also for an overactive forehead chakra. Related to all organs in this area discover the Lie. Is in contact with different hormone glands in the head.

CROWN CHAKRA Connection to the cosmos and higher spheres. Through the crown you can connect with cosmic guidance such as guides and other higher beings. Ideas and guidance can help you in finding your life purpose. If you are open to it. Too much energy from the cosmos can lead to psychological complaints.

KUNDALINI The power stream, the famous snake, flowing from the base upwards and at the crest. Down again. To balance the kundalini energy.
